Dear Sir or Madam,

I cordially invite you to the EPoSS Proposers' Day 2010 and the Green Cars Strategy and Networking Event on 9th & 10th September 2010 in Berlin.

The first day will be a **Proposers' Day** addressing the *New ICT Work Programme 2011-2013*. It will focus on the programme objectives most relevant for EPoSS and provide the opportunity for proposers to present and discuss their project ideas.

The second day will be dedicated to the **PPP European Green Cars Initiative**. It will provide details on the European Green Cars Initiative as well as projects and consortia for the 2011/12 calls.

I would like to encourage you to become actively involved in the proposal and strategy process and to participate in either one or both events. Please also inform colleagues and project partners of the opportunity to present and discuss their project ideas with experts from the EPoSS community.
