**EPoSS is the European Association leading the development and integration of intelligent and green Smart Systems technologies and solutions for a sustainable society.**

- Benefit from an active, efficient and successful network of excellent experts.
- Contribute to roadmaps through focused Working Groups and get your interests promoted towards public authorities.
- Facilitate your access to funding.
- Collaborate with key players in the context of European Smart Systems Integration research, development and innovation.
- Gain access to dedicated expert workshops, conferences and meetings organized by EPoSS.

**Join us today and become part of the European Smart Systems Community!**

In our pan European network of experts we jointly define R&D and innovation needs as well as policy requirements in the following domains:

**Key Technologies**

**AI at the Edge**

**Advanced Packaging**

**Green ECS**

**European Digital Innovation Hubs**

**Transportation**

**Energy**

**Food, Agriculture,  
Natural Resources**

**Healthy Living**

**Factory Automation**
