

EPoSS Annual Forum 2025

ACCELERATING INNOVATIONS IN SMART SYSTEMS

EMPOWERING COMPETITIVE EUROPEAN SOLUTIONS

JUNE 3-6, 2025 – NEUCHÂTEL, SWITZERLAND

+++ Call for Presentations and Posters +++

EPoSS – European Association on Smart Systems Integration will hold its Annual Forum 2025 on June 03–06 in Neuchâtel, Switzerland. This year, EPoSS member CSEM will host the event.

In order to present the latest developments in Smart Systems Integration, we invite you to submit your abstracts for presentations or posters and to **showcase your latest Smart Systems innovations or technology developments for Smart Systems Integration and the impact of your projects**. Your contribution could include one or more of the following topic areas:

<p>Smart Systems Integration research & developments for the following applications:</p> <p>Next Generation of Smart Systems incl. Sensors and Actuators for e.g.</p> <ul style="list-style-type: none"> • Green ECS for Decarbonisation • Automotive, Mobility and Transport • Smart Health and Well-Being • Agriculture, Food and Environmental Monitoring • Industry 5.0 and Robotics • Energy Solutions • Internet of Everything Applications • Connectivity (5G/6G etc.) 	<p>Latest developments and innovative technologies for Smart Systems Integration in the area of:</p> <p>New Innovative Technologies e.g.</p> <ul style="list-style-type: none"> • Design Methodologies, AI-Based Design, Reliability, Security, Safety, Resilience, Trustworthiness and Real Time • Artificial Intelligence at the Edge, Neuromorphic Computing and In-Memory Computing • Advanced and Sustainable Packaging Technologies, Chiplet Integration, Photonics and Heterogeneous Integration • New Manufacturing Technologies and 3D Printed Electronics • Large Scale Technologies and Flexible and Wearable Electronics • Quantum Sensing and Metrology • Sustainable and Green Electronics • RF and Vision Technologies • Energy Harvesting and Storage
<p>European Chips Initiatives:</p> <ul style="list-style-type: none"> • Pilot Lines, Competence Centres, Design Platforms • Swiss Chips and other national or regional initiatives • Skills 	

Brokerage opportunities will be organised to network with especially SMEs, start-ups and young researchers.

If you wish to participate in the **Call for Presentations and Posters**, please submit your abstract (**1,500–3,000 characters**) together with your full contact details as well as a short biography to <https://ssl.vdi.de/it/formular/eposs> by **28 February, 2025**.

Please use the **template** for abstract submission, which can be found at <https://www.smart-systems-integration.org/event/eposs-annual-forum-2025>

The EPoSS Annual Forum 2025 Technical Committee will select presentations and posters.

Invitations for the authors of selected presentations will be sent out until 31 March, 2025.
