

EPoSS Annual Forum 2020 28.9. – 1.10.2020 in Freiburg im Breisgau, Germany

Smart Systems to #BeActive

Call for Presentations

EPoSS – The European Technology Platform on Smart Systems Integration – will hold its Annual Forum in Freiburg im Breisgau, Germany from September 28 to October 1, 2020.

This year's event will be organised in collaboration with EPoSS' strategic partner EPSI – European Platform for Sport Innovation – within the European Week of Sports. Moreover, the event will be hosted by EPoSS member Hahn-Schickard and supported by microTEC Südwest.

In order to present the latest developments in Smart Systems Integration (SSI), we invite you today to send your abstracts for presentations and showcase your latest Smart Systems innovations or technology developments for Smart Systems Integration.

For September 30, a joint EPoSS-EPSI day is planned. It will focus on Smart Systems for applications in sports, active lifestyle and for a sustainable and healthy environment.

This year we also plan to spotlight the key integration technologies for flexible and wearable Smart Systems.

Presentation could include one or more of the following topic areas:

<p>Smart Systems Integration research & developments for the following applications:</p> <ul style="list-style-type: none">• Sports• Healthy and Active Lifestyle• Healthcare• Healthy Food including Agriculture• Sustainability and Green Economy, incl. Energy and Mobility Aspects to reach the Green Deal Missions	<p>Latest developments and innovative technologies for SSI in the area of:</p> <ul style="list-style-type: none">• Next Generation Smart Sensor Systems• Artificial Intelligence Integration at System Level• Managing Integration Challenges at Material, Technology and Process Level, including Flexible Electronics and Integrated Photonics• Reliable, Sustainable and Trustworthy Smart System Solutions• Smart Systems life cycle: conception, design, prototyping, manufacturing, testing, consumption, use, service provision, standardisation
--	--

Brokerage opportunities, networking between the two communities and a Start-up Award contest will be organised to encourage especially SMEs, start-ups and young researchers to become involved.

If you wish to participate in the Call for Presentations, please submit your abstract (1,500 – 3,000 characters) together with your full contact details as well as a short biography to contact@smart-systems-integration.org by **May 15, 2020**.

Please use the enclosed **template** for abstract submission (word file under: <https://www.smart-systems-integration.org/event/eposs-annual-forum-2020>).

Presentations will be selected by the EPoSS Annual Forum 2020 Technical Committee.

Invitations for the authors of selected presentations will be sent out until **May 29, 2020**.
